*Savings were calculated by comparing the subscriber ticket pricing (inclusive of all processing fees, facility fees, applicable taxes, and per seat Patron Level subscription fees, if applicable) versus day-of-show single ticket pricing when ordered by phone or internet inclusive of all handling fees, facility fees, service charges, and applicable taxes) for the 17/18 season performances of The King and I, On Your Feet!, Love Never Dies, School of Rock, Waitress, Something Rotten!, and Rent at the Dr. Phillips Center. Subscriber savings are less when compared to single ticket buyers who purchase at the box office window without paying handling fees and service charges. For this calculation, subscriber handling fees, service charges and any applicable per seat Patron Seating subscription fees have been prorated according to the number of shows in the 17/18 basic season subscription package. This calculation does not factor in any Season Options.
